HOBY SELECTION PROCESS

Each September, HOBY Sophomore Registration Kits are sent to over 22,000 public, private and charter high schools in the United States. All tenth graders are eligible for selection to attend one of the three- or four-day weekend seminars held in their area each spring. A sophomore leader may be selected by each school and is certified by the principal.

HOBY's seminars focus on the theme "Empower. Lead. Excel." while encouraging the young leaders toward responsible citizenship, including community service and volunteerism.

LEADERSHIP SEMINAR CURRICULUM

The curriculum for this Leadership Seminar is based on HOBY's vision to motivate and empower individuals to make a positive difference within our global society. HOBY believes students like you represent the future leaders of the world – leaders in business, education, government, or any field you choose – because YOU are someone who will make a difference. By developing and understanding effective and compassionate leadership, we hope you will be able to realize your leadership potential, and take action in your homes, schools, workplace, communities and the world.

Your HOBY experience will help you develop leadership from three perspectives:

1. Personal Leadership; 2. Group Leadership; and 3. Leadership for Society.

We will focus on your individual growth in order for your leadership to make a better world and a better society for yourself and others.

Everyone at HOBY believes in your ability to be a leader and affect the future for all of us. So, stand out and be outstanding! Show us who you are and what you can do. HOBY is your open door to a life of leadership and service. We can't wait to learn what potential you will unlock through HOBY.

VISION

To motivate and empower individuals to make a positive difference within our global society, through understanding and action, based on effective and compassionate leadership.

MISSION

To inspire and develop our global community of youth and volunteers to a life dedicated to leadership, service and innovation.

Integrity – Integrity forms the foundation of our organization. We demand the highest level of ethics. We grow our organization based on interactions that promote mutual trust and respect with our stakeholders and partners. We strive to ensure the highest level of organizational effectiveness by continually reviewing our programs and processes to improve quality and efficiency.

Excellence – We strive to continually raise our programs and business to new levels of excellence. We encourage entrepreneurship and innovation in business, education, and social responsibility. We develop creative solutions to address challenges and to utilize opportunities. We believe that leadership skills can and should be continually improved and refined.

Diversity – We value and embrace diversity. We seek out views that reflect all walks of life, and reflect those views in our programs. We are sensitive to the special needs and diverse backgrounds of individuals. We give all individuals an equal opportunity to be heard and to benefit from our programs.

Community Partnership – We value community partnerships. We recognize the importance of working with community organizations to strengthen our supportive network. We value the input we receive from our community partners, and strive to work together cooperatively and constructively for the betterment of all.

HOBY NC EAST 2012

Welcome HOBY Ambassador! The Future is Yours!

Spring 2015

Welcome HOBY Ambassadors:

Congratulations on being selected to attend the HOBY NC East Hugh O'Brian Youth Leadership (HOBY) Seminar. You were chosen for the honor of representing your schools because of the outstanding leadership potential you have demonstrated. The purpose of this HOBY seminar is to teach you *how* to think – not *what* to think. You will get from life what you put into it, and that applies to a HOBY seminar too. We want to awaken in you that magic genie of self-esteem so important to any success. You were selected to attend HOBY because you are special: think special and you will always be special.

You will make many new friends this weekend – hang on tight to them – you have many more years of meaningful futures to share. You will also realize that a great many volunteers gave a great many hours to make this weekend possible. These volunteer speakers, staff, and committee members give their hours freely because they believe in the future of the United States and recognize that you outstanding young people represent the future.

You have been challenged this weekend to do what has been modeled for you. I sincerely encourage you to return to your own communities and seek out meaningful ways that you can use your leadership for community service.

I don't have any children of my own, but I've got a couple of hundred thousand like you out there who I'm proud to call my family. So, shine bright my friends; you are all my tomorrows and the future is yours to make outstanding!! I wish you love and Godspeed!

Love,

P.S. The greatest gift you will ever receive is the one you give to others.

NOTES FROM THE DIRECTOR: WELCOME TO HOBY!

On behalf of the entire NC East Hugh O'Brian Youth Leadership Volunteer Committee, I am pleased to welcome you to our annual leadership seminar! Months of planning and hard work have gone into making this experience one that you will remember for a long time. Many people have contributed their money, time and resources to create this experience for you. **We hope you will learn, grow, stretch your mind, question, make lasting friendships, and have FUN while you are here!**

You were selected to receive an admission ticket to "HOBY on Broadway" because others see something wonderful in you. Starting now, you are a **leader**. We will not provide conclusions to you; we want you to think for yourself. Take advantage of this opportunity to question your thoughts, share your ideas with others, and get answers to questions regarding your role in our state and your future.

We have assembled terrific individuals who will speak to you about the challenges and joys of being leaders. We have also planned activities to prepare you for being a leader — you will learn and experience what you can do **right now** to make your own community better.

While our volunteers and speakers will contribute greatly to the success of the seminar, the biggest contributing factor will be YOU — your attitude, your willingness to go beyond your past beliefs and behaviors, your participation, and what you will give to each other. Open yourself to the people around you this weekend. Learn from one another and discover the unique contribution you can make. Our world faces challenging times ahead and leaders are needed! Continually ask yourself — **how can I make a difference in my community, my state, my country and the world?** Use this opportunity to start answering that question. Approach this weekend with enthusiasm and you will not be disappointed.

We hope you enjoy yourself, and apply what you learn from this weekend to your life. On Sunday, you will become HOBY Alumni. You will join thousands of young people that have come before you in this unique and honored title, and you will have a special responsibility to be a leader and make a difference wherever you go. **Congratulations! This weekend, and your life, will be what you make it... and you can make it great!**

I expect great things from your generation, and I wish you all the best for a rewarding experience.

The HOBY Story

In the summer of 1958, Hugh O'Brian received the invitation that would change his life forever. At the time, O'Brian had already made a name for himself as an actor portraying the legendary lawman Wyatt Earp on television and appearing in numerous films. When he received a cable from Dr. Albert Schweitzer welcoming him to French Equatorial Africa for a visit, he did not hesitate to accept. O'Brian had long admired the German doctor-missionary-theologian-musician, and within two weeks he arrived at Dr. Schweitzer's remote hospital complex in Africa. During his visit, O'Brian spent his days assisting the volunteers in the hospital and his nights with Dr. Schweitzer discussing global peace and world politics. During their discussions, Dr. Schweitzer told O'Brian that he felt "The most important thing in education is to teach young people to think for themselves," which O'Brian would never forget. After an inspiring nine days, O'Brian prepared to return to

America. Before saying goodbye, Dr. Schweitzer took O'Brian's hand and asked, "Hugh, what are you going to do with this?" It was these words combined with his unforgettable visit that compelled Hugh O'Brian to form Hugh O'Brian Youth Leadership (HOBY). Two weeks after returning from his 1958 visit to Africa, O'Brian put together a prototype seminar for young leaders.

From 1958 to 1967, leadership seminars took place in Los Angeles for sophomores from California. In 1968 the scope of the HOBY program grew to include national and international participants which led to the expanded eight-day global leadership seminar called the World Leadership Congress (WLC) held annually. In an effort to include more students nationwide, three-day and four-day HOBY Leadership Seminars were instituted in 1977 in which high schools throughout the

country may nominate a sophomore to attend a HOBY seminar in their state.

Five decades later, HOBY is still inspiring young people all over the world to develop their leadership and critical-thinking skills to achieve their highest potential. Currently, more than 9,000 tenth graders, representing almost as many high schools nationwide, attend HOBY Leadership Seminars each year. These seminars are run by over 4,000 volunteers with community leaders, business executives, educators, and parents involved in every seminar. Each seminar strives to follow the HOBY motto of teaching students, "how to think, not what to think," thus ensuring that Dr. Schweitzer's hope for young people lives on.

Hugh O'Brian:

Visionary, Legendary Humanitarian

Hugh O'Brian was born April 19, 1925 in Rochester, New York. At 17, he became the youngest drill instructor in Marine Corps history, but found his true passion was acting. O'Brian gained national fame and notoriety with his portrayal of frontier lawman Wyatt Earp in "The Life and Times of Wyatt Earp." This top-rated television series ran from 1955-1962 and made O'Brian an overnight success. After the series ended, O'Brian went on to other acting projects in film, television, and Broadway while devoting the rest of his time to HOBY.

The honors and awards he has received from his work with HOBY are numerous. In 1983, the National Society of Fund Raising Executives honored him with their premier award for overall philanthropic excellence as a volunteer, fundraiser and philanthropist. This is the only time one individual has received the award in all three categories. In 1989, he received the 60th Annual American Education Award presented by the American Association of School Administrators. O'Brian joins Norman Rockwell, Lyndon Johnson, Helen Keller, Walt Disney, and Bob Hope as a recipient of this most significant award. O'Brian currently lives in a hilltop home overlooking Beverly Hills. Still extremely active in his eighties, his hobbies include sailing, swimming, and tennis.

History of HOBY North Carolina and The Jaycees

North Carolina's first HOBY Leadership Seminar was held in 1979 by the Charlotte Jaycees at Belmont College. Fifty high school sophomores attended. By 1987, the HOBY-NC seminar had grown to over 200 Ambassadors. From 1988 through 2002, the Raleigh Jaycees ran a HOBY Seminar for Ambassadors from the Eastern half of the state and the Charlotte Jaycees ran the seminar for Ambassadors from the Western half of the state.

From 2003 to 2009, the seminars were reunited again under a single HOBY-NC banner and were managed and staffed primarily by the Raleigh Jaycees. In 2010, Jaycees and HOBY alumni from all over North Carolina united to re-launch a second HOBY-NC seminar in western North Carolina. HOBY NC West is operated by the Winston Salem Jaycees and HOBY NC East is operated by the Raleigh Jaycees. In 2013, HOBY NC Alumni founded the HOBY North Carolina Alumni Association.

Who are the Raleigh Jaycees?

The Raleigh Jaycees have been a mainstay in the Triangle community, developing leaders through community service for more than 80 years. The chapter is now a thriving membership of young men and women between the ages of 21 to 40 from various personal and professional backgrounds. A motto of the Jaycees organization is "Leadership Development through Community Service"—a view shared with the HOBY program.

The Raleigh Jaycees offer countless opportunities to:

- build professional and personal skills
- get involved in the community
- network professionally
- attend unique and exciting special events
- meet new people

Chartered in 1932, we are an all-volunteer civic organization that runs over 50 community service and leadership development projects each year. Annually we donate over \$65,000 and countless volunteer hours to area organizations through our various projects. As an affiliate of the NC Jaycees, the US Jaycees, and Junior Chamber International, the opportunities provided by the Raleigh Jaycees truly are endless. There is no other young professionals' organization like the Raleigh Jaycees! For more information, visit www.raleighjaycees.org.

Who are the North Carolina Jaycees?

The North Carolina Jaycees give young adults between the ages of 21 and 40 the tools they need to build the bridges of success for themselves and their communities in the areas of business development, individual development, community involvement and international connections. We foster the development of leaders through training, real world experience, community involvement, and the creation of a collaborative network among young adults.

We take pride in our global community and are dedicated to leading the positive change needed throughout North Carolina. The Jaycees provide our members with the opportunities to learn new skills and become the leaders of tomorrow by creating lasting impact and fulfilling the needs of our communities today. Partnerships with our state and local governments, North Carolina based businesses and other community organizations are important to us and necessary to move North Carolina forward. Team up with us today and create the relationships needed to strengthen our state by enhancing our local communities and engaging the young people of North Carolina.

We believe that service to humanity is the BEST WORK OF LIFE!!! For more information or to find a local chapter, visit www.ncjaycees.org.

LEADERSHIP FOR SERVICE

Food Bank of Central & Eastern NC

Established in 1980, the Food Bank of Central & Eastern North Carolina is a nonprofit organization that has provided food for people at risk of hunger in 34 counties in central and eastern North Carolina for more than 30 years. The Food Bank serves a network of more than 800 partner agencies such as soup kitchens, food pantries, shelters, and programs for children and adults through distribution centers in Durham, Greenville, New Bern, Raleigh, the Sandhills (Southern Pines), and Wilmington. In fiscal year 2012-2013, the Food Bank distributed nearly 52 million pounds of food and non-food essentials through these agencies.

Sadly, hunger remains a serious problem in central and eastern North Carolina. In these counties, more than 560,000 struggle each day to provide enough food for their families. Nearly 29 percent of the people served by the Food Bank's network are children, and another 8 percent are elderly. Thirty percent of the families served are the "working poor" people who work hard and still have to choose between eating and other basic necessities such as medicine and housing.

HOBY NC East 2014 was recognized as one of the Top 15 Volunteer Supporters of the Food Bank of Central and Eastern North Carolina. During the Leadership for Service event on June 14, 2014, we sorted 20,000 pounds of food. This equated to 17,000 meals! Visit www.foodbankcenc.org for more info.

HOW WILL YOU LEAD THROUGH SERVICE?**Leadership for Service****HOBY's Commitment to Volunteerism**

As you will learn this weekend, one of the most powerful ways to show leadership is through service to others. HOBY believes so strongly in the idea of servant leadership that we answered the call and created an initiative that challenges all Ambassadors to continue their HOBY experience long after the seminar concludes. **Leadership for Service (L4S)** is HOBY's service-leadership program intended to prepare young people to contribute to their communities through service-learning and volunteerism.

The objectives of *Leadership for Service* are:

- To inform Ambassadors about the role and impact of community service;
- To facilitate setting short-term community service goals;
- To provide opportunities to connect with community service organizations; and
- To provide documentation of program impact and effectiveness.

Each Ambassador is challenged to return to his/her community and conduct at least 100 hours of community service in the year following the HOBY Leadership Seminar.

Ambassadors are asked to make a year-long commitment to strengthen their communities through volunteerism, and to track their success by logging their hours on the HOBY website, www.hoby.org in the Alumni section. Since the implementation of HOBY's *Leadership for Service* program in 1998, participants have logged over 2.1 Million volunteer service hours.

Through HOBY's *Leadership for Service* programs, Ambassadors gain the tools, passion and commitment to serve others. To help young people realize the personal and social benefits of volunteerism and service, HOBY awards each Ambassador who successfully completes and logs 100 hours a special recognition packet, which includes recognition by the White House and the President's Student Service Award.

WHAT HAPPENS AFTER YOUR HOBY SEMINAR IS OVER?

You become a HOBY Alumnus.

Welcome! You are now a part of the family of fellow HOBY Alumni who number 365,000 strong! Being a **HOBY Alum** is special. HOBY alumni serve their communities; they lead in their schools and communities; they go on to realize success in a number of areas. In short, they **change the world**.

Being an active member of the HOBY Alumni Association means having access to numerous opportunities exclusively available to HOBY alumni, including leadership and educational programs, scholarships and grants.

Don't let your HOBY experience end on Sunday!

Make sure you stay active in the HOBY Alumni Association.

OTHER HOBY PROGRAMS

Advanced Leadership Academy (ALA)

HOBY's newest program, the Advanced Leadership Academy (ALA) is an opportunity to deepen your leadership skills and develop a service project for your home school or community. All high school juniors and seniors are eligible to attend this five day, four night program on a first paid, space-available basis. HOBY alumni are encouraged to bring their friends to experience the HOBY magic.

The ALA program is a college-level curriculum based on the book "Leadership for A Better World" and includes learning about your specific individual leadership abilities and how you can leverage them to address issues like bullying and distracted driving through service. ALA participants meet other successful youth who have led service projects and started nonprofits and businesses. For more information on the ALA, visit www.hoby.org.

Community Leadership Workshop (CLeW)

The Community Leadership Workshop (CLeW) is HOBY's introductory one-day leadership program for high school freshmen, which focuses on leadership as a discipline to be explored and learned. HOBY CLeW students interact with local community leaders, participate in group activities, and conduct community service projects. CLeWs are organized, developed, and implemented by local business leaders, civic groups, volunteers, and HOBY Alumni. If you are interested in organizing a CLeW at your school, please contact the North Carolina HOBY Alumni Association at alumni@hobync.org.

World Leadership Congress

Held annually in late summer, the HOBY World Leadership Congress (WLC) is an opportunity to interact with youth from all over the United States and the world. All participants from the state HOBY Leadership Seminars are eligible to attend this weeklong, intensive, educational program on a first paid, space-available basis.

The WLC program includes coming face-to-face with today's top leaders in business, government, medicine, education, philanthropy and much more. In addition, the weeklong schedule is set in the backdrop of some of the greatest cities in the U.S. WLC students learn to think globally and critically, enhance their leadership skills, and meet students who share a desire to lead and make their schools, communities and countries better places. For more information on the WLC, visit www.hoby.org.

Visit www.east.hobync.org and click on the Alumni tab to download an EXCEleration Kit which contains information on more opportunities to get involved with HOBY on a local, national, and international level. It also contains information on College Scholarships!

The Freedom to Choose

Unfortunately, a very small number of our young people seem to attract the most of the news. They are in the public eye because they have stolen cars, vandalized schools, created disturbances – in some way rebelled against society. These headline-makers represent only a small part of our teenage population. It is a fact that 98.7 percent of our young people are law-abiding, constructive citizens. There is too much focus on the negative. It is time we accent the positive – pat the good guys and gals on the back – let them know there are rewards for being responsible members of the community.

I do NOT believe we are all born equal – CREATED equal in the eyes of God, YES – but physical and emotional differences, parental guidance, varying environments, being in the right place at the right time, all play a role in enhancing or limiting an individual's development. But I DO believe every man and woman, if given the opportunity and encouragement to recognize his or her own potential, regardless of background has the Freedom To Choose in our world. Will an individual be a taker or a giver in life? Will that person be satisfied merely to exist, or seek a meaningful purpose? Will he or she dare to dream the impossible dream?

I believe every person is created as the steward of his or her own destiny with great power for a specific purpose to share with others, through service, a reverence for life in a spirit of love.

Opportunities for HOBY Volunteer Involvement

1. Volunteers for the seminar planning committee. Planning begins in August of each year. Contact HOBYDirector@east.hobync.org for more information on joining the HOBY NC East Team.
2. Volunteers to assist with Alumni events. Over 6,000 HOBY Alumni live in NC. We need assistance in organizing Alumni events. Contact alumni@hobync.org if you can help.
3. Businesses to donate supplies or Gifts In Kind for the seminar. It is due to generous donations that HOBY NC East continues to provide superior seminars. Visit our website at www.east.hobync.org to see what you can donate to support our cause.
